2. This contract is available to the public at <http://www.en.grancanariaschool.com/contract.php>
3. The total amount of the course (and accommodation) must be paid in advance. The student will then receive the confirmation of his/her reservation request and an invoice. After the initial level test, interview and language needs of the student, the decision will be taken to locate him/her in the most appropriate level.
11. CHANGES OF LEVEL: A student may request a change of level, but the change will be possible only with the prior consent of his/her teacher and the academic coordinator. In case the teacher and the academic coordinator consider that the linguistic competence of the student is not sufficient to step up to the next level, a proof of access to the higher level will be required that proves the real capacity of production and understanding of the student in that level.

24. PROTECTION OF PERSONAL DATA AND IMAGE RIGHTS: the student, by accepting this contract, gives consent for his/her personal data submitted in the booking process to be included in a file owned by Gran Canaria School of Languages, SLU and processed under the Personal Data Protection Act 15/1997 for the purposes of carrying out the academic, economic and administrative management of the student, necessary for the organization and development of the training activity of Gran Canaria School of Languages.

During the time that the student is enrolled in the centre, images of the students can be captured and used in the composition of graphic or video files prepared to inform or publicize activities organized by the centre. Dissemination can be done through publications on paper or the inclusion on the website [www.grancanariaschool.com](http://www.grancanariaschool.com), social networks, as well as by publication in information leaflets owned by Gran Canaria School SLU. The treatment of student images is carried out in accordance with Organic Law 1/1982, of May 5, on civil protection of the right to honour, personal and family privacy, and the image itself, eliminating any captures or filming that might violate these fundamental rights. The images are not used for purposes other than those expressed and may be transferred to third parties for promotional or advertising purposes.

When registering, the student expresses his / her consent for Gran Canaria School of Languages to make photographs and videos showing and using images taken by the students during the classes and activities of the school in which they appear for promotional purposes. The denial of this permit must be communicated in advance by one of two options:

- Option 1: Students will be provided with a document upon request.
- Option 2: sending a letter addressed to the centre, Gran Canaria School of Languages, Calle Dr. Grau Bassas 27, 35007 Las Palmas de Gran Canaria, SPAIN, or via email to [office@grancanariaschool.com](mailto:office@grancanariaschool.com)

25. STANDARDS OF BEHAVIOR AND COEXISTENCE: Students are expected to behave appropriately and respect their peers and staff at our school. Inappropriate or offensive behaviour towards others or class attendance in drunkenness or under the influence of drugs will not be accepted.

If a student behaves improperly with a classmate, teacher or staff member, he or she will receive a verbal notice from Gran Canaria School of Languages and will be informed in writing of the consequences of his / her performance, in order to correct his / her behaviour. If this does not happen after this first warning, the expulsion process may be initiated by the school, if necessary and according to the current legality. In case of violent acts, serious alteration of the order or threats to the physical integrity of other persons, the expulsion will be immediate.

Gran Canaria School of Languages reserves the right to expel the student, both from the school and from its accommodation, in case of breach of any of the legal conditions, serious disciplinary infractions or acts of violence towards other students, teachers or staff of the centre. Expulsion of a student implies loss of the right to financial compensation and exempts the school from any additional obligation. All expenses (indemnities, fines, etc.) caused by breach of the law will be borne by the student and in the case of minors, their parents or legal guardians.

26. CLAIMS AND CONFLICT RESOLUTION: we have the necessary management procedures so that any problems that may arise during the student's stay are resolved as soon as possible. In all cases, the student must communicate his/her complaints in writing and the school will respond verbally and also in writing, proposing the best options for the resolution of the complaint.

No claim or complaint made after the end of the stay that has not been brought to the attention of the school in writing during the course will not be accepted.

In case of not reaching a full agreement between both parties, the school makes available to its customers the complaint sheets conforming to the official model. For any dispute arising from the interpretation or fulfilment of this contract, the school is submitted expressly to the arbitration system of consumption, through the corresponding Consumer Arbitration Board.

The Spanish law applies to all relations between the student and the centre and / or between contractors of services with the centre, and all parties will submit to the jurisdiction of the Courts and Tribunals of Las Palmas de Gran Canaria.
